### Important Information

You may already possess alternative insurance(s) for some or all of the features and benefits provided by products purchased; it is your responsibility to investigate this. We will not provide you with advice about the suitability of this product for your individual needs but we will be happy to provide you with factual information to assist you in making an informed buying decision.

All policies have exclusions and restrictions to them. It is very important that you read and understand these and only purchase the policy if you are happy that you and (where applicable) every member of your party meet the eligibility criteria: Specifically for travel our policy may NOT be applicable for you if:

- You are over the maximum specified age at the time of your trip
- You have pre-existing medical conditions

Examples of these and other conditions and restrictions and what to do if you are unsure about any aspect of an exclusion are contained within your policy information. If after purchasing a policy should you find it does not meet your requirements you have 14 days from the date of issue, or prior to travel (whichever is sooner) to cancel the policy.

If you do decide to cancel your money will be refunded in full, provided no claims have been made or incident likely to give rise to a claim has arisen.

Travel policies will not cover travel to areas where the Foreign and Commonwealth Office has advised against 'all travel'. If you are not sure whether there is a travel warning for your destination, please check with the Foreign and Commonwealth Office (phone 020 7008 0232 or 0233 or visit their website at [www.fco.gov.uk](http://www.fco.gov.uk)).

It is your responsibility to do this and no information or guidance will be provided by ourselves in this regard.
